

Manufacturing Council Corporate (mfc) Sponsorship Program

Manufacturing Council Corporate is soliciting sponsors for our **Manufacturing Council Corporate Sponsorship Program** for all member organizations who wish to participate as a Corporate Sponsor for the coming year. The first twenty-four (24) corporate sponsors who remit \$500 will be accepted in the 2010 sponsorship program.

To participate for all of 2010, each interested sponsor will donate \$500, to be received by December 31, 2009. Sponsorships received after December 31st will be prorated for a full twelve month period from when payment is received.

For this donation, an organization becomes a Corporate Sponsor for twelve months and is recognized on an ongoing basis by the MFC via the following:

- Corporate Sponsor logos are exhibited in a prominent location during all MFC meetings and functions.
- Corporate Sponsors are recognized at *Industry Forum* and *World Work Place* MFC meetings on a power point presentation of their corporate logos.
- Corporate Sponsors, with logos and contact information, are listed in the electronic MFC newsletter sent throughout the year to all members, prospective members, and other interested parties.
- Corporate Sponsors have the opportunity to provide a half-page black & white promotional piece for insertion into one MFC electronic newsletter.
- The MFC Council President, during introductory comments at the beginning of each meeting, will recognize, as a group, all Corporate Sponsors and their support of our Council.
- Corporate Sponsors will have the first opportunity to sponsor MFC special events, such as the MFC Annual Dinner at *World Work Place*.
- Our local Council web site will also provide additional exposure for MFC Corporate Sponsors by inputting each company's logo, web link, contact information, and brief description of the scope of services provided.

These corporate sponsor benefits provide a much higher level of visibility than is available from most professional associations that do not permit aggressive marketing to attendees at their association functions. In contrast, our members and attendees are actively encouraged to support those companies, whenever possible, who support us.

The contributions of Corporate Sponsors enable the MFC to expand benefits for its members beyond what is possible solely through dues collection. Our Council Corporate Sponsorship Program helps the MFC fund the monthly electronic newsletter, the quarterly webinars, the industry round table discussions held each year at *Industry Forum*, and the annual Economic Forecast presentation hosted by MFC at *World Work Place*.

Manufacturing Council of IFMA

Manufacturing Council Corporate (mfc) Sponsorship Program

In addition to their sponsorship payment, Corporate Sponsors are asked to provide their logo in a digitized format, their web address, current contact information, and a brief description of the scope of services provided by their company.

If you have questions or concerns regarding the MFC Corporate Sponsorship Program, please contact Angelo Torcolacci, 248-477-2444, or Robert Beuter, 248-840-7887.

Your support of MFC is greatly appreciated,

Angelo Torcolacci, AIA, IFMA
